Police charge Ellicott City man in two robberies of Woodbine pharmacy

Howard County Police have obtained an arrest warrant for a suspect in two recent robberies of a pharmacy in Woodbine. Timothy Smallwood, 48, of Town and Country Boulevard in Ellicott City, is currently held without bail in Baltimore County on similar charges.

Smallwood is charged in a Howard County warrant with multiple counts of armed robbery, assault, theft and use of a firearm in a felony. Detectives will serve the warrant at the Baltimore County Detention Center while he remains incarcerated.

Smallwood is charged with robbing the Med One Pharmacy in the 700 block of Lisbon Center Drive on two different dates, Feb. 21 and April 12. In both cases, he approached the employees and displayed what detectives now believe was a replica handgun. He demanded prescription medication and then fled. No one was injured.

Howard County detectives worked with Baltimore County detectives, who were investigating a similar robbery at the Nature Care Pharmacy in Reisterstown in March. They identified Smallwood as the suspect in all three cases. He was taken into custody in Baltimore County.
